Time to Vote-We have an opportunity, once again, both in **August** and then in **November** to vote for men and women for

elected office who will stand for preserving life. The question is, will we be good stewards of our citizenship, and seek to honor God not only by voting, but also by carefully deciding who deserves our votes? Pray that God's people will do their part to promote a pro-life message to the culture and will put feet to their message in how they vote.

Remember to vote in the primary this Tuesday, August 9.

See the insert called *Church Connection* from Wisconsin Family Council. Also visit www.ivoterguide.com to help you make an informed decision that is grounded in God and rooted in research.
